Prof. R. D. Chavhan

Sr. No.	Authors	Year	Title	Journal/Conference Name	IJ/IC/NC
1	Rahul Chavhan Sachin Chavhan	2021	Design and Development of High-Performance Intelligent Disaster Management System in IoT Paradigm – A Novel Architecture and Review on Challenges in real time Hazards Monitoring	International Journal of Engineering and Advanced Technology (IJEAT)	IJ
2	Amol M. Nikum Niharika M. Deshpande, R. D. Chavhan	2017	A Single–Input Dual–Output Boost Converter with PI Controller	International Conference on Innovations in Power and Advanced Computing Technologies [i-PACT2017]	IC
3	Nalinita Deshpande ü Niharika M. Deshpande, R. D. Chavhan	2017	Coupled inductor based Single–Input Multiple–Outputs Boost Converter	3rd International Conference on Advances in Electrical, Electronics, Information, Communication and Bio-Informatics (AEEICB17)	IC
4	Rahul D Chavhan, Sachin U Chavhan, Ganesh B Chavan	2014	Real Time Industrial Monitoring System	arXiv preprint arXiv:1402.1693	IJ
5	Kantilal Rane Rahul D. Chavhan, Sharad Pachpande	2014	Real Time Industrial Monitoring System	INTERNATIONAL CONFERENCE ON ENGINEERING, MODELLING AND SIMULATION ICMSET-2014	IC
6	Atul Rane Kantilal Rane, Rahul D. Chavhan, Sharad Pachpande	2014	Real Time Industrial Monitoring System	PROCEEDINGS OF INTERNATIONAL CONFERENCE ON MODELING AND SIMULATION IN ENGINEERING & TECHNOLOGY (ICMSET-2014)	IC
7	Sachin U Chavhan, Rahul D	2013	Real Time Industrial Operator allotment System	International Journal of Application or Innovation in Engineering &	IJ

	Chavhan, Kantilal P Rane			Management	
8	Mangesh Dhakane ü Shivraj Rathod, Rahul Chavhan	2012	High Gain Enhanced Bandwidth Microstrip Antenna Design	International Conference on Electrical Engineering and Computer Science (ICEECS-2012)	IC
9	Mangesh Dhakane Shivraj Rathod, Rahul Chavhan	2012	Design of Compact Rectangular Microstrip Antenna with Partial Grounding for Enhancing Bandwidth	International Conference on Electronics and Communication Engineering (ICECE-2012)	IC
10	Vinod Chaudhari Rahul Chavhan, Sachin Chavhan	2011	Mobile Web Crawling	National Conference on Emerging Technology in Engineering & Management	NC
