Dr. Mrudul Nile, Member of Senate, University of Mumbai is invited as a speaker for this program. Prof. Mrudul has coordinated the India China Think Tank Forum visit to the University of Mumbai and was also a part of think tank delegation invited by the China Foreign Affairs University at Beijing, PRC in the year 2016. He had also been a part of the Fulbright Scholar Program sponsored by the U.S Department of State, under the Fulbright-Hays Act of 1961 at the United States Institute on U.S National Security Policy Making. He has authored numerous articles on social and healthcare issues and coordinated various sponsored research projects.

As said by Dr. Ambedkar, "*Constitutional Morality is not a natural sentiment. It has to be cultivated. We must realize that our people have yet to learn it.*" I am sure this talk would help to cultivate the constitutional morality among the students and staff our institute.

All the students, faculty members and staff of the institute are invited to participate enthusiastically in this program.
