

TOPIC: ‘Stake Holder Management’

DATE: 6<sup>th</sup> October 2016

VENUE: Sardar Patel College of Engineering, Andheri

AUDIENCE: Final Year Students pursuing Electrical Engineering

PREFERENCE: Organized by SPCE under TEQIP, in collaboration with IET.

IET Tech dais lecture on ‘Stake Holder Management’ was organized by Sardar Patel College of Engineering under TEQIP. The expert speaker was from Black and Veatch.

Mr. Rajesh Patwardhan,  
PMP, C.Eng MICE, MIET | Secretary, IET Mumbai LN  
Black Belt Six Sigma | Internal Quality Auditor

Mr. Rajesh Patwardhan, the guest expert speaker , Dr. P.H. Sawant, Principal SPCE and the faculty members present were welcomed by presenting a Tulsi sapling.

After welcoming, the student coordinator Neha introduced dynamic profile of the guest Mr. Patwardhan. She also briefly described association of SPCE and IET and about the activities conducted by Sardar Patel College of Engineering under TEQIP in collaboration with IET.

Principal Dr. P. H. Sawant explained the students about the purpose of interdisciplinary subject like project management. He guided the students about the importance of activities like guest lecture to know about more than the syllabus as it helps in understanding current trends in the subject.

Mr. Patwardhan began his lecture by explaining basic concepts of Project Management and then explaining various aspects related to Stake Holder Management. The session was interactive as he asked questions and then explaining the purpose related with it and as a whole beneficial for students.

Mr. Patwardhan was offered a token of gratitude by Ms. Archana Lakhe MIET, co-opted member, Mumbai LN.

The event was concluded by vote of thanks by Ms. Neha.

Refreshments were provided after the lecture.
