Academic Credit Scheme for Course Work for Ph.D. Program in Faculty of Technology
University of Mumbai
(With effect from Academic Year 2021-22)

Considerations:

SPCE follows Academic Regulations Credit Scheme and Course contents for Course Work for Ph.D. Program in Faculty of Technology as given by University of Mumbai (UOM)

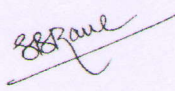

Recently a course on Research and Publication Ethics has been added by UOM. Hence it was necessary to make the changes in the Credit scheme to adopt the change suggested by UOM.
