MOTIVATIONAL TALK: 1

A Motivational talk on scope of entrepreneurship in field of electric vehicles by Mr. Kedar Soman was held at Room No. 119 on 05th March 2018 at 3p.m.

Mr. Kunal Bhavsar, coordinator SPCE Start – UP Cell, welcomed the expert lecturer Mr. Kedar Soman to deliver his motivational talk.

The objective of this talk was to motivate the pool of students as well as faculties towards entrepreneurship.

Mr. Kedar Soman did his Masters from University of Cincinnati in Mechanical engineering in 1999 and worked in USA for many years in CAD CAM field. Along the way, he was also involved in social work in USA and India. He worked with Sierra club, which is an environmental organization in USA. Worked with Vayam, an organization dedicated to holistic improvement in Javhar Mokhada, Thane district. He was interested in Electric vehicles from very early stage. At some point got in touch with Kamlesh Malick who had started PluginIndia and started working with him. In 2016, left USA after 17 years and he came back to join PluginIndia full time. Right now works with PluginIndia and also some other startups as a consultant.

This Motivational talk was attended by 58 students and 10 faculty members.
