

Know Your Alumni- Event Report

15.09.2022:

'Know Your Alumni' was arranged on the eve of Engineer's Day by the Alumni Committee in association with the SPCE Alumni Association. The guests for the day were three of SPCE's esteemed alumni: Mr Nikunj Khelurkar (Batch of 2015, Civil Engineering Department), Mr Jay Mehta (Batch of 2016, Mechanical Engineering Department) and Mr. Parikshit Deshmukh (Batch of 2016, Electrical Engineering Department). The event was also graced by Mr Shashikant Banka (Batch of 1996, Mechanical Engineering Department), the President of SPCE Alumni Association and Mr Arun Karle (Batch of 1967, Mechanical-Electrical Engineering Dual Degree), a patron of SPCE AA. Dr. M.M. Murudi (Principal, SPCE) also gave his active support for the event and was one of the panel members.

The event started with the Saraswati Vandana followed by Tulsi distribution to the guests to welcome them. The event moved ahead then with the introduction of the guests and their enlightening talks.

Mr. Nikunj Khelurkar talked about the overall enriching college experience he had and how that shaped him to follow his passion. He gave a wonderful message stating, 'Follow your heart and things work out' to the audience.

Mr. Jay Mehta spoke about how the fests and college in general helped him identify his skillset and hone it up to a level. His journey gave a great insight to the audience aiming to develop themselves for a management career.

Mr. Parikshit Deshmukh made everyone understand the unstated importance of 'sincerity' in an individual's life. He gave many life-lessons through his retelling of small incidents from college life.

The panel answered all the various questions raised by the students providing them with the most apt guidance. Some of the questions answered were; 'Why an MBA after an engineering degree?', 'How does a college portfolio affect in the long run in terms of career?', 'What should one keep in mind while deciding on the future career path?', etc.

Mr. Madan Narayanan gave the vote of thanks towards the end of the event extending words of gratitude to all the faculty members as well as students for their support in making this event a success.
