**CIVIL ENGINEERING ASSOCIATION (CEA) 2018 – 19**  
**ANNUAL REPORT**

Civil Engineering Association (CEA) is a committee consisting Third Year students and faculty members of Civil Engineering department. We work with a vision for the welfare and holistic growth of all civil engineering students. The committee works hard to fulfill the co-curricular requirements of students with the help of CEA committee advisor and Ex-officio Prof. S. J. Kumbhar and under the guidance of Dr. M. M. Murudi, the Head of Department.

It involves organizing various activities which enhance the knowledge of students and helps in improving the technical, communication, management and soft skills, apart from the curriculum and academics of the college.

The committee not only organizes various workshops (technical and non-technical), seminars, guest lectures and Industrial Visits to enhance the students' understanding of the core curriculum, but also organizes various fun events and interesting activities which inculcate team building, team working and networking and communication skills.

It also supported the Students' Council and the Core-SPECTRA team with the Annual Technical Festival **SPECTRA-2019**. Many events, based on the knowledge of stream of Civil Engineering were organized, with participation from Maharashtra and several other states.
