

CIVIL ENGINEERING ASSOCIATION {CEA} 2019-20

ANNUAL REPORT

Civil Engineering Association {CEA} is a committee consisting Third Year students, supported by a Coordinator Team from the Second Year students and Faculty Members of Civil Engineering Department. We work with a vision for the welfare of students. The committee works hard to fulfill the co-curricular requirements of students throughout their academic with the help of CEA committee advisor and **Ex-officio Prof. S. J. KUMBHAR** and under the guidance of **Dr. M. M. MURUDI**, Head of Department.

It involves organizing various activities which enhance the knowledge of students. It also helps in improving the technical, communication, management and soft skills, apart from the curriculum and academics of the college.

It also supported the Student's Welfare Council and the Core-SPECTRA team with **Annual TechFest SPECTRA-2020**. Many events based on knowledge of stream of Civil Engineering were organized, with participant from Maharashtra and several other states.

The various activities and events organized by CEA for the year 2019-2020 are as follows:

- ❖ **AAGAZ** - Introduction session for the first year and direct second year students.
- ❖ **NISARGVEDH** - Trekking to KARNALA FORT.
