

## **Activity report- Guest Lecture on Bridge Construction**

A guest lecture for “Bridge construction” was conducted for UG and PG students of Civil engineering Department on 23<sup>rd</sup> May, 2020 at 3.00PM. The speaker invited was Mr. Vikas Rane (Asst.General Manager at AFCONS). The lecture was conducted using Google meet platform. It was attended by 70 students from undergraduate and post graduate (Structural Engineering and Construction Management) students. Various topics related to bridge construction ranging from foundations to superstructure erection were discussed. Practical aspects in construction, their impacts on structural design and importance of co-ordination between site personnel and structural engineer were stressed upon. The speaker also showed informative videos for the construction and erection procedure for getting a clear picture of the entire construction process and the challenges involved therein.
