NOTICE

Cancellation of Hostel Allotment due to Non-Confirmation

This is to inform all students who had applied for hostel accommodation and were allotted hostel accommodation as per the **First Merit List displayed on 8th September 2026** that they were required to confirm their hostel accommodation at the earliest.

Since the college had already commenced on the same date on which the First Merit List was displayed, students were expected to confirm their hostel accommodation within a few days, as has been done by the other students who were allotted hostel accommodation.

However, a few students have failed to confirm their hostel accommodation till date.

Therefore, all students who have failed to confirm their hostel accommodation till date are hereby informed that their **hostel accommodation allotment stands cancelled due to the delay in confirmation.**

The seats so released will be allotted to students from the **Waiting List.**

All concerned students are requested to take note of the above and consider the cancellation accordingly.
