Minor and Honors Certification in Regulation 18.

1. Preamble

Honors Certification helps student to develop skills they might miss out while completing an undergraduate degree whereas Minor Certification provides students an opportunity to learn more about something of their interest which may or may not be related to their major. The institute is offering Honors and Minor certification since Academic Year (AY) 2021-2022 with approval from Academic Council (AC) and Boar of Governance (BoG). The Minor and Honors certification are offered in Regulation 18.

It is approved in AC and BoG that a student from one department shall earn additional credits from another department in the range of 16-18 and get minor Certification. The honors Certification can be given to the students who are earning additional credits of 16-18 from courses offered by same department.

2. Minor and Honors Certification Eligibility Criteria for Students:

- a. Eligibility criteria for Minor Certification
 - a. Students with no backlog in semesters (I, II, III, IV).
 - b. The CPI secured should be 7.5 and above when student is enrolling for Minor programme
 - b. Eligibility Criteria for Honors Certification
 - a. Students with no backlog in semesters (I, II, III, IV).
 - b. The CPI secured should be 7.5 and above when student is enrolling for Honors programme.
- Each eligible student can opt for either Honors or one Minor Certification at time.
 - Credit courses for Minor and Honors Certification shall be offered from Semester V onwards to Semester VIII.
 - The head of the Department will invite preference from department students for Minor/Honors Certification before beginning of Semester V. The head of the department/departments shall do the allotment as per merit and the resources available.

- The student who received allotment can register for one or two courses per semester from the scheme of allotted Minor/ Honors Certification.
- The students cannot register for more than total 28 credits per semester. The courses for minor/honors Certification shall be conducted online / offline.

3. Examination and Evaluation of Minor and Honors Certification

The continuous evaluation process will be followed as mentioned in scheme of Minor/ Honors Certification. The student has to earn minimum “E” grade for each course in scheme of Minor/ Honors Certification. A student may voluntarily drop the scheme at any time. However except grade reports, NO certificate will be awarded for such a partial completion.
