

# Republic Day Report

The event was conducted at the entrance of the college near the flagpole. This auspicious day started with unfurling the flag for the 74<sup>th</sup> Republic Day. While unfurling the flag, a beautiful rendition of the national anthem was sung by the Spandan Club along with all the attendees. The entire event was anchored by Enrico Rodruiges, an enthusiastic first-year student. Dr. Mohan Murudi, principal, paid tribute to the architects of our constitution and told attendees that as the nation's ambassadors, we are the ones who can spread the richness of our values. The address was followed by a melodious performance by the music club "Spandan," which was presented before the audience.

Vaibhav Kurale, a T.Y. CED student, presented his poem honoring the soldiers fighting on the front line. The programme concluded on a good note by showcasing the skills of our dance club, Splash. Refreshments were also provided to all those who were present. The event was attended by the principal, chairperson of the welfare committee, deans of academics and finance, heads of departments, other teaching and non-teaching staff, along with the student body, who were accompanied by the student council.
