### THANK YOU

Respected Sir,

Greetings from Marrow Donor Registry India. At the outset we the people of MDRI would like to thank you and your esteemed 'Thadomal Shahani Engineering College' for the unconditional and immense support towards this noble cause of saving lives. It was a pleasure for us to see the staff and students of your college come forward to register altruistically and give their blood sample to donate their Stem Cells for a needy patient at the time of requirement.

Please accept our sincere thanks for the excellent support provided by you and your student council volunteers in organizing and hosting our MDRI drive on the 13<sup>th</sup> and 14<sup>th</sup> Sept 2022. We wouldn't have been able to experience this overwhelming response from your students if it wasn't for your leadership and kindness towards this cause.

I would like to especially thank Prof. Dr. Shyamalee Solanki who took a keen interest in holding this camp. She was very instrumental in arranging the awareness sessions for me and the camp with total perfection. My special thanks to all the professors who welcomed me for the orientation sessions on 13<sup>th</sup> Sept 2022 to their classes.

I would like to thank the Student Welfare Council team who led this event with total sovereignty and diligence. My special thanks to all the volunteers who stood by us and handled the event with thoroughness.

Last but not the least we thank your students who came forward as life saving donors for the needy patients around the world. We registered 182 donors.

Words cannot adequately express the gratitude that I and the MDRI Team wish to convey to you. Please know that your leadership is recognized, appreciated, valued and cherished. We thank you and look forward to continuing to work with you again in the future.

Keep up the good work.

Kind Regards

Dr. Praveen Clement  
Transplant Coordinator

## STEM CELL DONOR REGISTRATION DRIVE

**“You may be one person to the rest of the world, but to one person, you may be THE WORLD.”**

With this note, a Stem Cell Donor Registration Drive was conducted on 13<sup>th</sup> September 2022 in SPCE by Marrow Donor Registry India (MDRI) in association with Tata Memorial hospital for the many cancer patients around the world, funded by Tata trusts. The MDRI carries out these drives to search for potential blood donors, whose stem cells can be used to fight rare blood diseases like blood cancer, thalassemia, etc.

Each donor who volunteered had a 4mL sample of blood collected by the team of doctors. These samples will be stored in their registry, and if a donor matches with a patient with a rare blood disease, they will receive a call to make a blood donation. This way, they can save the life of a patient by helping them regenerate their stem cells. This event was smoothly coordinated with the sincere efforts of the SPCE Student Council 2022-23 and the student volunteers from SPCE, who ensured timely assistance to the MDRI doctors. This event was organized in memory of our beloved student Kushal Kapoor who was suffering from leukemia.

We're grateful to the students and faculty members of SPCE, SPIT, and Bhavan's College who took a selfless step towards being someone's life saviour. Thanks to this generous gesture, 183 donors have been successfully registered with the MDRI. Hopefully, with a successful match, a precious life will be saved.
