Sardar Patel Sustainability & Green Initiative Chapter

17th Nov 2021

Online competition

The logo making competition for the Chapter was organised by the **Sardar Patel Sustainability and Green Initiative Chapter** (SPSGIC).

The chapter promotes a sustainable lifestyle and conducts activities like beach clean drives, E-waste collection drives and much more. The logo had to be relevant to the club activities and had to contain the full form of SPSGIC. Also, it had to be relevant to sustainability, green, social activities, economic, social and consciousness.

Many members with experience in creatives of the chapter participated.

The winner was Piyush Dhattrak of Third Year Mechanical SPCE and was awarded Rs1000/- As his logo looked pleasing with a green background which nicely represented the nature of the activities of the chapter. The competition was conducted successfully by the committee and was possible because of our judges who were the faculty coordinators Mr. Haseen Shaikh sir, Mrs. Swati Lavad ma'am, Dr. Rehsma Raskar and chief coordinator Dr. Hansa Jeswani.

1. The logo which was awarded the first prize.
